

WELCOME...

Thank you for your interest in the **Madeira Swim & Tennis Club**. Your waiting list period will begin when we receive your application. There is a \$100 fee when being placed on the waiting list. This will be deducted from your bond due when you are invited into membership. If you are unable to remain on the list for any reason, \$75 of this amount is refundable. If you choose not to join when invited into the Club a \$25 fee will be charged each year you decline. We would like to offer you some information about our Club.

MEMBERSHIP...

We offer 400 bonded family memberships. In addition to these memberships we have senior and associate memberships. Senior members pay 2/3 dues, have no voting power, are only husband and/or wife, and must have been members of the pool for at least ten years. Associate memberships, when offered, go to the top numerical families on the waiting list. These memberships may be for the full summer or pro-rated according to Board recommendations, and provide full use of the Club and its functions.

SWIM...

The MSTC Swim Team is a member of the Private Pool League and competes in five meets in addition to the A & B team swimming and diving finals. We also provide swimming lessons for children at several different levels. We have two lanes roped off for adult swimming and our young swimmers can enjoy the baby pool.

TENNIS...

The Club has four tennis courts. The ladies currently play in doubles leagues. There are evening mixed doubles round robins and weekend men's round robins. There are numerous tennis socials, grab bags and club tournaments. A tennis pro on staff and lessons are available for adults and children.

CLUB...

Our Club is open from Memorial Day Weekend through Labor Day.

In addition to swimming & tennis, basketball and picnic areas are available to our members. There are adult and teen parties, theme nights and family parties.

Guests are always welcome for a nominal charge.

If you have any questions or concerns regarding the club or your membership status, please email Vicki:
